MEMORANDUM

FOR : ALL RESEARCH FOR DEVELOPMENT PARTNERS

FROM : THE OIC DIRECTOR

SUBJECT: CALL FOR PROPOSALS ON CY 2023 RESEARCH FOR DEVELOPMENT (R4D) PROJECTS UNDER THE LIVESTOCK PROGRAM

In line with the Department of Agriculture's initiatives to address the increasing prices of farm inputs and the occurrence of transboundary pests and diseases in the livestock commodities, the bureau issues this Call for Proposals Submission to all R4D partners for possible funding and implementation in CY 2023.

The proposal/s to be packaged should focus on the following areas:

1. Field validation of alternative feed ingredients, silage or haylage-based feed resource system for livestock;
2. Technology transfer and upscaling of alternative feed production including support to enterprise development through strengthening of the technical and entrepreneurial capabilities of raisers. Recommended activities include:
 - a. Refinement of technologies/protocols related to feed production, storage, and transport;
 - b. Capacity building for the livestock raiser beneficiaries (e.g. preparation, application, community-level production, enterprise development); and
 - c. Linking to institutional partners and support services, and establishment of market linkages; and
 - d. Development of Sustainability Plan (production, operations, community development, partnership/collaborations)
3. Development, utilization, and promotion of low-cost and portable diagnostic test kits for economically important/notifiable diseases in livestock.

The detailed proposals to be submitted must include an endorsement letter from the head of agency/institution of the proponent addressed to the BAR director.

These should be submitted to **DA-BAR's Livestock Program** through email address lpr4d@bar.gov.ph on or before **November 29, 2022 at 5:00pm**.

For information and guidance.
