	Mr. Ryan Joseph R. Abrigo	DA-BAR, KMISD

*A food-secure and resilient Philippines
with prosperous farmers and fisherfolk*

1-21-03-171

The AFR4D&E-TWG is tasked to ensure a smooth seamless flow of technologies, information, products, and processes/approaches (TIPA) generated by research institutions to extension service providers enabling easy access and utilization of these research outputs by farmers and fisherfolk to increase their production and income. This could be achieved by translating research outputs into appropriate extension messages, using best fit appropriate modalities to meet farmers and fisherfolk's specific needs. Altogether, these will propel the achievement of the DA's vision of a food secure and resilient Philippines with prosperous and empowered farmers and fisherfolk.

Specifically, the functions of the TWG are enumerated as follows:

- Formulate plans, strategies, and recommendations to strengthen the RDE continuum and their interphase in terms of standards, protocols, and processes;
- Ensure that R4D activities conducted to address problems, concerns, and needs of farmers, fisherfolk, and the industry in general and that outputs are translated into relevant extension messages and disseminated using appropriate modalities;
- Engage partnership with other extension service providers in the harmonized dissemination of R4D results and establish a system of feedback to R&D institutions within the AFR4D&E system;
- Document and capture lessons learned from the functioning of the AFR4D&E mechanism to strengthen the process of technology generation and utilization under the harmonized system;
- Ensure collaboration in the development of training modules and learning materials based on identified matured technologies;
- Collaborate in monitoring, evaluation, and learning (MEL) activities on the use and adoption of R4D results which were provided through extension modalities; and
- Perform other related tasks on R4D and E management as instructed by the DA Secretary.

This Order shall take effect immediately and shall remain in force unless revoked in writing. All Orders inconsistent herewith are deemed revoked.

Done this 25th day of March 2021.

WILLIAM D. DAR, Ph.D.
Secretary
