**WILLIAM DOLLENTE DAR, PhD.**  
Secretary  
Department of Agriculture

**Attention: DR. VIVENCIO R. MAMARIL**  
Director IV  
Bureau of Agriculture and Fisheries Standards

Dear Secretary Dar:

The Philippine Institute of Traditional and Alternative Health Care (PITAHC) was created pursuant to the passage of the Republic Act No. 8423, also known as the Traditional and Alternative Medicine Act of 1997 or the TAMA Law. PITAHC is mandated to accelerate the development of Traditional and Alternative Medicine in the country through research, policy and standard development, promotion and advocating the utilization of Traditional and Complementary Medicine (T&CM) products, services and technologies.

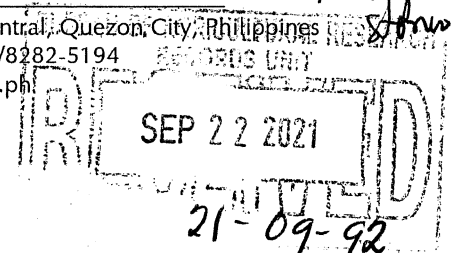

The PITAHC through its three (3) Herbal Processing Plants (HPPs) has been known for producing Food and Drug Administration (FDA) approved quality products namely the Lagundi and Sambong tablets and different variants of herbal soaps. In 2019, the three HPPs revived its manufacturing activities for Herbal SOAP/MEDICINE and now available to the public.

May we humbly offer to your Office the following herbal medicine and soaps at reasonable prices that you may choose from.
