The Committee shall perform the following functions:

1. Set criteria and guidelines for the R4D proposal screening and review process of the Bureau;
2. Conduct the initial screening and evaluation of received R4D proposals for funding and support, based on the approved criteria and guidelines set by the Bureau;
3. Screen, evaluate, and approve R4D proposals for funding consideration;
4. Identify accepted/approved R4D proposals to be subjected for further in-depth review and evaluation with the external pool of experts;
5. Review the progress and completion reports submitted by the implementing agencies through the project leaders and recommend/certify their acceptability;
6. Conduct on-site/field visit of the BAR funded R4D projects, as needed, at any point during implementation to monitor and validate the progress of the report;
7. Evaluate BAR funded R4D project outputs in accordance with the approved workplan; and
8. Recommend and initiate the steps and processes for the sharing, transfer and adoption of project outputs to the next and end user beneficiaries

The Committee Chair, upon the recommendation of the co-chair and vice chairs, shall finally approve R4D proposals.

The Secretariat shall perform the following functions:

1. Coordinate with the office of the Director, upon the recommendation of the co-chair and concerned division chief, the conduct of initial screening and evaluation of received R4D proposals for funding and support, based on the approved criteria and guidelines set by the Bureau;
2. Communicate with the Regional Research for Development and Extension Network (RR4DEN) the in-depth review and evaluation of the accepted/approved proposals, as needed;
3. Coordinate with the office of the Director, upon the recommendation of the co-chair and concerned division chief, the conduct of on-site monitoring and evaluation of on-going R4D projects, in accordance with the approved workplan;
4. Communicate with the Regional Research for Development and Extension Network (RR4DEN) the conduct of on-site monitoring and evaluation of on-going R4D projects, as needed; and
5. Summarize and consolidate the findings and recommendations of the Committee as basis for further actions.

The Committee may call on and request other DA-BAR officials and staff to serve as focal and resource persons as deemed necessary. Attached herewith are the field of specialization of the committees and resource persons.

This Special Order shall take effect immediately and shall remain in force until revoked. All issuances inconsistent herewith are deemed superseded and modified accordingly.

All concerned, please be guided accordingly.

Done this 6th day of January 2022.

JUNEL B. SORIANO, PhD.
Director
