MEMORANDUM FROM THE DIRECTOR

TO : ALL TECHNICAL DIVISIONS

**SUBJECT : CALL FOR NOMINATION FOR THE JICA'S TRAINING PROGRAM
ON "STRENGTHENING BASIC SKILLS FOR DIAGNOSTIC TESTS
AND SURVEILLANCE OF LIVESTOCK DISEASES**

In collaboration with the **Department of Agriculture (DA)** and the **Japan International Cooperation Agency (JICA)** under the **Official Development Assistance (ODA) Program** of the Government of Japan, the **DA-Bureau of Agricultural Research (BAR)** is pleased to announce the **call for nominations** for the upcoming training program, scheduled from **June 21 to October 24, 2025**.

This program will be conducted under the **Knowledge Co-Creation Program (KCCP)**, which aims to enhance participants' fundamental skills in diagnosing and monitoring livestock diseases. By strengthening these capacities, the initiative seeks to improve participating countries' ability to combat livestock diseases effectively.

We invite all relevant staff from technical divisions to submit a **Letter of Intent (LOI)** addressed to the Director. This opportunity is open to **veterinary officers and researchers** working in public laboratories engaged in livestock disease diagnosis and surveillance.

The call is open to **all qualified permanent technical staff**, and the LOI must be submitted **no later than March 20, 2025**.

For further details, please refer to the attached document. Should you have any questions, feel free to reach out.
