TO : DA-BAR SCIENCE AND TECHNOLOGY (S&T) PERSONNEL
 PDD, PMELD, KMISD

SUBJECT : ENGAGEMENT OF DA-BAR S&T PERSONNEL IN BAR-FUNDED R&D PROJECTS

In accordance with Executive Order No. 17 series of 1983, known as "Rules and Regulations of the Scientific Career System (SCS)," the DA-Bureau of Agricultural Research (DA-BAR) actively promotes and urges all science and technology (S&T) personnel within the bureau to actively pursue and advance their scientific careers.

As part of the SCS criteria, S&T personnel are mandated to actively participate in Research and Development (R&D) endeavors. To enable compliance, the bureau is granting DA-BAR S&T personnel with master's and/or doctorate degrees in sciences the opportunity to engage in specific projects funded by DA-BAR. The bureau will issue specific guidelines outlining the involvement of S&T personnel in projects, as per the SCS's requirements.

Interested personnel may coordinate with the Program Development Division to be initially enlisted via a Special Order.
